News from the Principal's desk

Dear Parents,

We do not have school next Thursday and Friday for parent teacher conferences. If you have not yet signed up for a parent teacher conference, please do so. This is an important time to discuss your child's progress in school and help ensure they can be successful this year.

Don't forget to drop off donations for the troops through Operation with Love from Home by November 19th in the box outside the school office. More information can be found on page 5.

For those planning to participate in LEST this year, please remember to turn in forms. We need a permission form for every student who is going to Portland for LEST, but if your child is in an individual or ensemble vocal music event; those forms need to be turned in by Monday, December 2.

Blessings to you and your family!

For the 2024-2025 school year, we are paying specific attention to different cultures in our curriculum. This is not an additional part of the curriculum, but rather integrated into our current curriculum (literature, art, music, etc.). The goal of this focus is to increase our students' cultural awareness and to encourage thought provoking discussions, to foster an appreciation of diversity, and to have a better understanding of who we are. Our approach to culturally responsive education is to incorporate different customs, characteristics, experiences and perspectives as tools to enrich our current curriculum.

**Native American History (month of November)
National Native American Heritage Month is celebrated every November and is a time to honor the traditions, languages, and stories of Native American, Alaska Native, Native Hawaiian, and affiliated Island communities. It also honors veterans who have served the nation.**

Memory Verse for November 18-22

James 1:17 Every good and perfect gift is from above, coming down from the Father of the heavenly lights, who does not change like shifting shadows.

Next week's memory verse is an appropriate one for the week before Thanksgiving.

In this passage, James points out that God the father is the giver of all the good gifts that we receive in life. This is true, of course, for the spiritual blessings of forgiveness, love and peace because of the death and resurrection of Jesus. But it is also true of all the things that make up our lives. Life itself is a gift from God the Father. Other gifts include our family and friends, our possessions and home, the ability to work and to learn.

Thanksgiving is a day set aside especially for giving thanks to the giver of all good gifts. Being thankful is not just having a sense of appreciation for what you have. More appropriately, it means offering our thanks and gratitude to those who have blessed us. In this case, it is about thanking God who has blessed us with "every good and perfect gift."

Thanksgiving Worship Service

St. John's Lutheran Church will have a special Thanksgiving service on Wednesday, November 27 at 7:00 pm in the sanctuary. We encourage all who come to worship to bring a non-perishable food item for the Napa Food Bank. All are invited!
